Dear John,

We would like to say a big THANK YOU for supporting David Manning's recent fundraising evening by providing raffle prizes and for helping him to raise the fantastic amount £818.45! We are extremely grateful and truly appreciate your kindness and support for our very brave and special children.

We grant many wishes throughout the year ranging from swimming with dolphins in Florida to watching a lamb being born! As well as individual wishes, we organise an all expenses paid holiday for 45 families, to Center Parcs in Sherwood, including Disco's, a BBQ on the beach and a very special Children's Ball. The real highlight of our year is when we charter our own plane and take around 100 children with a parent to meet the real Father Christmas in Lapland.

All our funding is from voluntary contributions from individuals or organisations and we couldn't grant the wishes of so many children without the generosity of people like yourself.

Thank you once again for supporting David's event and for allowing some extremely courageous children to say, "When I Wished Upon A Star, my dreams really did come true!"

Kindest Regards

Ruth Jagger
